Membership

We are always looking for new members. For more information about joining the Auxiliary, please contact Brenda Wilson at 519-456-5979.

Gift Shop

The Hospital Gift Shop is located in the main lobby of the hospital and is run by the Auxiliary to Woodstock Hospital. All proceeds from the sales of the gift shop are donated to the hospital to improve health services, equipment and education.

Giving Back to the Hospital

The Auxiliary to the Woodstock Hospital has generously donated \$80,000 for clinical equipment purchases within our hospital. The funds are being directed towards the purchase of patient beds, wheelchairs, stretchers and a thyroid uptake probe for various departments.

The proceeds from the Auxiliary's Nevada ticket sales have been put towards a software program for our Diagnostic Imaging department's Echocardiography unit, called Echo-PAC. The EchoPAC software is a

comprehensive echocardiography reporting system and will allow image sharing with the cardiologists in London in the future.

“Ultrasounds are something that a large portion of patients at Woodstock Hospital receive, so the Auxiliary thought that supporting a piece of equipment such as the Echocardiography software, was of significant value to the community,” said Brenda Wilson, President of the Auxiliary to WH.
