20th Anniversary

Celebrating its 20th anniversary, the Woodstock Hospital Foundation Charity Golf Tournament is a day all about giving back to our hospital. This year's tournament will take place on July 25, 2018 at Craigowan Golf Club. It will be a great course for the tournament to celebrate 20 years of golfing and giving.

Proceeds from the tournament will support the purchase of new cardiac monitors for our Critical Care Unit. Cardiac monitors are used to continuously or intermittently monitor heart activity. As our population continues to age and as heart conditions increase, having the latest in cardiac monitors available in our Critical Care Unit is vital.

Thank you to all of our sponsors for their support of this great event.
