HomeSafe Standard

- Affordable way to maintain your independence.
- Get access to the help you need 24/7 at the push of a button.

HomeSafe with AutoAlert

- Can automatically call for help if it detects a fall, even if you can't push the button yourself.
- Excellent choice for those with a history, risk or fear of falling.

On-the-go Solutions

GoSafe System

- Get access to the help you need 24/7 at the push of a button – at home or on the go.
- AutoAlert can automatically call for help if it detects a fall.
- Button allows direct two-way voice communication with a Lifeline response associate.
- Only mobile system with up to 6 advanced location technologies designed to help find you in an emergency.

How Lifeline Works

1. **Summon help** – Press your Personal Help Button, you're connected 24/7 to our Response Centre. With our advanced services, you have the option to include fall detection or locating technology in the event you can't push your button.
2. **Hear a reassuring voice** – A caring Lifeline response associate will quickly access your personal profile and assess the situation.
3. **Know help is on the way** – Our associate contacts a neighbor, loved one or emergency services based on your preferences, and will follow up to make sure help has arrived.

All Help Calls Answered in Canada
